Assignment: Animated Gifs

Deliverables:

Hand Animated Gif

- Create an animated gif based off of one of your previous Photoshop projects - (Promo Poster or your Digital Self Portrait)
- Save the file as an animated .gif file through the Save for Web menu option, upload it to the server, and link to it from your website

Video-based Gif

- Create an animated gif based off of a video that you captured online
- Save the file as an animated .gif file through the Save for Web menu option, upload it to the server, and link to it from your website
